

Four Fours

1		11	
2		12	
3		13	
4		14	
5		15	
6		16	$4 + 4 + 4 + 4 = 16$
7		17	
8		18	
9		19	
10		20	

Use the number four, exactly four times, with any mathematical operations to make all the numbers from 1 to 20. Remember the order of operations.

One has been done for you.
